

EMBALMER

Occupation Description

“Embalmer” means a person who, prior to disposition of human remains, engages in the disinfection, preservation, preparation or restoration of the human remains.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the ITA website.

Pathways to Certification

In BC, an individual can become certified as an Embalmer by completing the Embalmer program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Foundation programs, where available, provide adults and youth who do not have work experience or employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation. Individuals who wish to enroll in a Foundation program must register directly with the training provider.

Recommended and/or Required Education

The following education is **recommended** for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 12 (or equivalent from a recognized post-secondary institution) – English 12, Biology 12, and Chemistry 12

The following education is **required** prior to enrolment in the technical training for this occupation. It will be verified by the training provider upon enrolment.

- Level 1 Basic WCB Occupational First Aid course

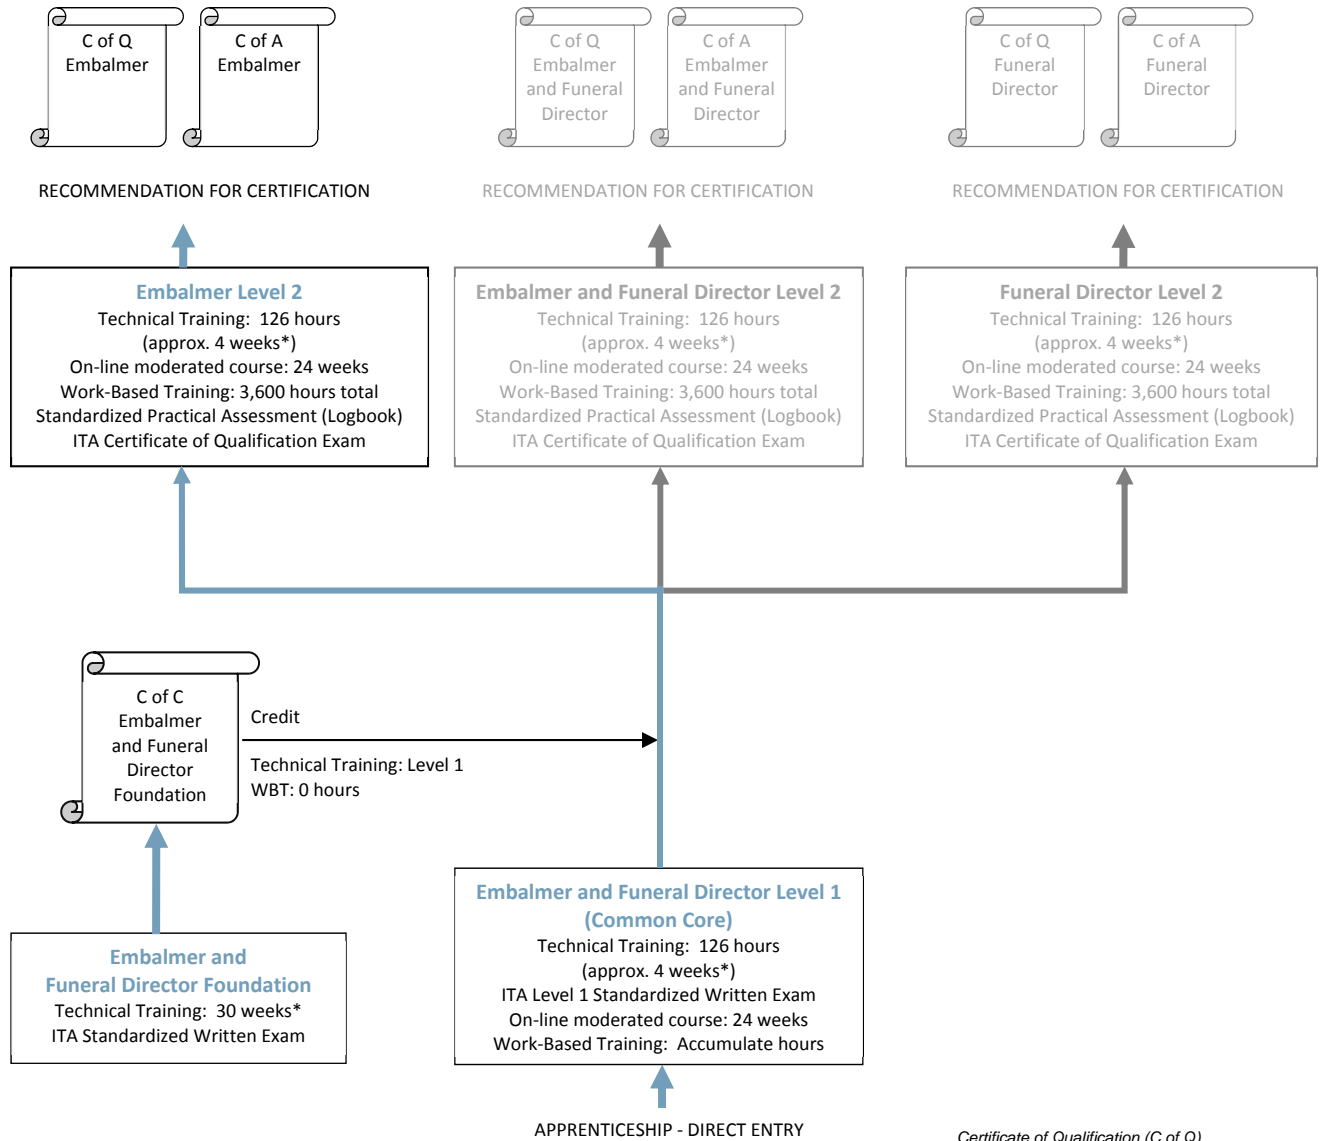

ITA Registration

Individuals who wish to begin an apprenticeship in this program must register with ITA along with their sponsor. Application forms for all programs are available from the ITA website. Online registration is also available for most programs through the ITA website.

No challenge process is currently available for certification. This decision is currently under review.
